BRIGHTFOAM

Fantastic product for decarbonising ovens

BENEFITS

- Powerful
- Removes burnt on stains
- Excellent sanitiser
- Highly concentrated
- Fully biodegradable

DESCRIPTION

Brightfoam is a very powerful caustic alkaline detergent/sanitiser designed for heavy duty cleaning of walls, floors, plant, equipment and vehicles found in the food processing industry. It quickly removes oils, fats, grease and "burnt on" deposits from a wide range of substrates including concrete, metal, plastics and ceramic surfaces. The powerful cleaning ability of Brightfoam is combined with a bactericide yielding excellent sanitising properties.

Brightfoam will kill the following organisms at the given dilution rates:

Candida Albicans	1:640
Pseudomonas Aeruginosa	1:160
Staphylococcus Aureus	1:640
Escherichia Coli	1:32
Salmonella Newport	1:160
Listeria Monocytogenes	1:320
Aspergillus Niger	1:64

PHYSICAL PROPERTIES

Physical state: Liquid
Appearance: Red liquid.
Colour: red
Odour: characteristic.
pH: ~ 13
Flammability (solid, gas): Non-flammable.
Density: 1.14 g/cm³
Solubility: soluble in water.

INSTRUCTIONS FOR USE

When used with a pressure washer Brightfoam should be applied at the rate of between 1% and 3% depending on degree of soiling. Allow to penetrate then wash off at full pressure. To test the concentration a refractometer reading of 0.8 will indicate a 2% dilution.

When using manually Brightfoam can be diluted up to 100:1 with either hot or cold water and applied by spray, mop or brush. Allow to penetrate then wipe or rinse off.

The main uses of Brightfoam are the cleaning and sanitising of floors, walls, work surfaces, inside of delivery vehicles, plant and equipment in the following industries:-

Abattoirs - and meat processors.
Cheese manufacturers and Processors.
Dairy Product companies.
Bakeries.

It is also used extensively in high street food shops, including Fish and Chip shops, Cafes, Restaurants, Chinese takeaways and anywhere requiring an all in one, powerful grease cutting cleaner and sanitiser with the ability to remove burnt on residues.
